WELCOME

The Minnesota Chorale’s *Bridges* series, begun in 1994 to build musical and social bridges to diverse populations, has been acclaimed as a national model for community engagement programs. *Bridges* is a series of musical initiatives that harness the richness and diversity of the global choral repertoire to engage cultural communities and raise awareness of pressing social needs.

Each year, the Chorale identifies key program collaborators, whether a community, an organization, an artist, or some combination of these. It then chooses appropriate occasions and venues, locates or commissions suitable repertoire, and tailors a range of outreach, education, and performance activities to accomplish the goals of the program.

The cumulative results of more than two decades of *Bridges* programs include a widening of the audience for choral music in the Twin Cities and greater Minnesota, and a web of organizational and individual connections centered on music but reaching far beyond it.

Celebrating its 47th season, the **Minnesota Chorale** ranks among the foremost professional choruses in the United States. Led by Kathy Saltzman Romey since 1995, the Chorale is best known for its work with the Twin Cities’ two major orchestras, but is equally dedicated to fostering and deepening relationships through its *Bridges* community-engagement initiatives, educational activities, and independent presentations of choral works. It operates two youth choirs (Minneapolis Youth Chorus and Prelude) and, in collaboration with the MacPhail Center, Voices of Experience, an ensemble of seniors. The Chorale continues to explore new artistic directions and collaborative opportunities, while earning the highest critical acclaim for its work on the concert stage.

Thank you for your generous support!

We are grateful to the following individuals who, in this fiscal year (July 1st, 2018 through June 30th, 2019, have supported the Minnesota Chorale and our family of choirs.

For information on giving at these or other levels, please call Alyssa Breece at 612-455-2100 or visit the giving page at www.mnchorale.org/support

INTERNATIONAL INSTITUTE OF MINNESOTA

The Institute delivers services and resources to assist New Americans in the transition to a new life leading to economic self-sufficiency. Working together, New Americans, volunteers, and staff create not only a new home, but also a new future for those who have been displaced. From language learning and job training to citizenship classes and the celebration of cultural traditions, the Institute offers New Americans a pathway for a strong start to a new life in our community – something we all benefit from.

MISSION

Helping New Americans achieve self-sufficiency and full membership in American life.

The Institute supports this mission by providing linguistically and culturally accessible services that enable every New American to work toward achieving full community participation and self-sufficiency.
